Supplemental Amendment

Dear Sir:

Pursuant to a conversation with the Examiner on September 6, indicating the application is in condition for allowance but for an oral objection by the Examiner – not a rejection -- to use of the Trademark term, Vcaps; please amend the claims as in the attached claim listing. The term “Vcaps” in claim 8 has been substituted by specifying the ingredients in the Vcaps (Hydroxypropyl Methylcellulose). These ingredients are specified as in Vcaps, in the manufacturer’s (Capsugel) website (copy attached). On pages 14, line 13, and page 18, line 3, of the specification, Capsugel is specified as the manufacturer of Vcaps. Entry of this amendment is respectfully requested, and the Examiner and her supervisor are thanked for granting the recent interview with Applicant and his attorney.

Respectfully submitted,

Dated: _____
